

Cambridge Young Learners English

Motivate Your Child to Learn English

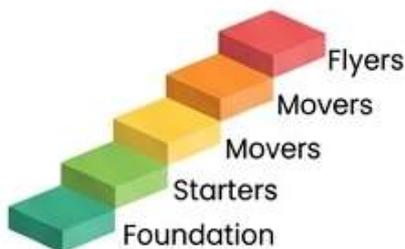

The Cambridge English: Young Learners program is a fun and activity-based English learning system specially designed for **children in primary** and lower-secondary school. It helps children build strong English skills while enjoying interactive lessons and activities.

Thousands of parents around the world choose this program to help their children learn English according to internationally recognized standards.

Real Everyday English

The program uses realistic everyday situations to make learning interesting and practical. Children learn how to communicate confidently in English through **speaking, listening, reading, and writing** activities.

Three Learning Levels

These levels create a clear learning path and help children gradually improve their English skills step by step.

Age Group: 3 – 12 Years

Monthly Fee: LKR 2,500

Certification

Students will receive a certificate based on the **Cambridge University Young Learners English program standards**.
